

**Your families health is important to us**  
**OUR DEDICATION**  
**TO KEEPING IT CLEAN!**

**Daily Cleaning & Sanitation**

**Procedures:**

- Thoroughly clean and sanitize the play structure daily, and as needed.
- Daily disinfection of toys, costumes, mats, the play structure, furniture, tables, and bathrooms.
- Daily rotating schedule of toy baths. A toy bath consists of a wash, rinse, and sanitizing soak.
- Daily rotating wash schedule for costumes and puppets

**Incorporating a proactive monthly ULV treatment from BioGreen Solutions, which treats against a broad spectrum of bacteria, viruses, and mycotoxins.**

**Please Help us By:**

- Placing any mouthed toys in the dirty toy bin
- Placing dirty costumes in the hamper
- Removing outside shoes, and wearing socks or slippers
- Keeping sick children home
- Sanitizing on the way in and out
