Infant Daily Schedule

TIME	ACTIVITY	DESCRIPTION
6:30 - 8:40	Drop-off	Children arrive and enjoy time playing with their friends and eating breakfast. Infants are dropped of in Toddlers if they arrive between 6:30 -7:30. Breakfast is served until 8:15 AM.
8:40 - 9:15	Morning Circle	Children enjoy a morning greeting, Zoo Phonics, songs, and story with their teachers at circle.
9:15 - 9:30	Morning Snack	Children's hands are washed and morning snack is served. Children practice sign language before/during/after snack.
9:30 - 10:00	Art	Children explore and manipulate a variety of materials, discovering new textures & colors, while creating artistic pieces.
10:00 - 11:15	Morning Nap/ Manipulatives/ Outdoor Time	Children are rocked and soothed while gentle music lulls them to sleep. Children who do not nap at this time engage in free exploration with a variety of manipulatives or may go outside.
11:15 - 12:30	Lunch/Nap	Lunch is served based on individual needs. Sign Language is practiced before/during/after lunch time. Children who nap at this time are rocked and soothed to sleep.
12:30 - 2:00	Sensory and Fine Motor Activity	Children enhance fine motor and sensory skills while exploring a variety of materials and objects.
2:00 - 3:15	Afternoon Nap/Free play	Children are rocked and soothed while gentle music lulls them to sleep. Children who do not nap at this time engage in free exploration with a variety of manipulatives, stories, and gross motor play.
3:15 - 4:00	Afternoon Snack	Children's hands are washed and afternoon snack is served. Sign language is practiced before/during/after snack time.
4:00 - 4:30	Music/ Movement/ Free Play	Children engage in music and dancing, both through singing songs and listening to fun music.
4:30 - 6:00	Pick-Up	Children enjoy time playing with their friends until they are picked-up.

The daily schedule may vary from child to child, based on their individual needs and developmental stages. All children follow an on-demand schedule until developmentally ready to follow a more consistent daily routine.

Children go outside when weather permits and enough children are awake to maintain ratios.
